

**Think all platform carts are noisy and hard to push?  
Think again!**

## *Silentmaster*®

Introducing **Silentmaster**® material handling platform carts. These easy-to-handle carts are whisper-quiet and practically self-rolling thanks to our uniquely-engineered bearings and composite wheels.

Ideal for retail, foodservice, library, hospital, office, hotel, school, ballroom, theater, auditorium, laboratory, factory, and many other institutional uses.

Features and benefits include:

A foot brake keeps the cart from rolling while loading/unloading

A foldable handle allows compact and tight storage when not in use

Rugged 600 lb.\* loading capacity design is mobile and lightweight

Easy to clean bed features rubber traction pads to reduce slipping

\*model PC-2436-8

	Loading Space (inches)	Loading Height (inches)	Handle Bar Height (inches)	Load Capacity (lbs.)	Wheel Dia. (inches)
PC-1828-6	28.2 X 18.1	5.71	33.8	300	4
PC-2436-8	35.2 X 23.4	8.23	31.7	600	5
